scosa springs into action with ABC

Spring is here and so is the 891 ABC Adelaide Car Park Caper being held this Saturday 13th October. **scosa**, the **Spastic Centres of South Australia** is very proud to be the chosen charity for this Car Park Caper and is looking forward to a fun-filled day at Collinswood.

The Car Park Caper provides visitors with the opportunity to pick up some great bargains, some great gardening advice and water-wise ideas whilst having the chance to help support a very worthwhile cause.

scosa proudly provides support for people with disabilities and helps them develop opportunities to participate and become valuable members of their local community.

The money raised from the Car Park Caper will go towards Camps for **scosa** clients. These camps provide great opportunities for many people to meet new friends, visit new and interesting places and to have a short holiday. They also provide a much needed break for parents and families too.

To add to the fun atmosphere of the day, **scosa** will be offering a variety of activities including the sale of Siamese fighting fish – a great present for the office or home, a raffle for both the adults and kids, a plant minding service, so your precious purchases are taken care of whilst you continue to wander and the 'bling bling room' – a chance to tzhujz up for the night and of course, face painting for the kids.

For a small donation to **scosa**, visitors to the 'bling bling room' enjoy a mini hair makeover or make-up touch up by professional hair and make-up artists, from Media Makeup who all volunteer their time and equipment to help raise funds for **scosa**.

So make sure you come along this Saturday between 8am-12pm to the 891 ABC Adelaide Car Park Caper and help support the valuable work of **scosa**, an organisation all South Australians can be proud of.

Your generosity will help put a smile on the face of people with disabilities and give them a real sense of achievement in their lives.

For all other media enquiries please contact **Robyn Nancarrow** at **scosa**, the Spastic Centres of South Australia on **8444 9354** or email rnancarrow@scosa.com.au
