Brighton students raise money for scosa

Looking glamorous is always important for a school formal and the students of Brighton Secondary School are doing just that this Friday when they 'tzhui up' in the 'bling bling' room and raise money for **scosa** at the same time.

scosa, the **Spastic Centres of South Australia**, Adelaide Icons volunteer fundraising group will present the ever popular 'bling bling room' at Brighton Secondary School this Friday 9 May to help students prepare for their big night...their school formal.

The 'bling bling room' is a funky marquee designed for visitors to have their hair & makeup done ready for big events.

The 'bling bling' room will be set up at Brighton Secondary School this Friday 9th May from 1pm-4pm where for a small donation to **scosa**, students can have their hair and makeup done ready for their formal that evening.

Students are looking forward to the 'bling bling' room visiting their school. It's a wonderful opportunity for many of them to have their hair & makeup done professionally for just a fraction of the usual cost, and what a fabulous way to support **scosa**!

The Brighton Secondary School students have embraced this concept since the "bling bling room's" inception, and look forward to once again highlighting the work of **scosa**. Not only will their donation assist the party goers to look glamorous on the night, but they will be supporting people with disabilities at the same time!

scosa would like to once again thank Bec Smith for organising this fabulous event, Brighton Secondary School students for their support, Media Make-Up for volunteering their time, equipment and expertise on the day and also Signs Inc for their amazing generosity.

scosa proudly provides services and support for people with disabilities. Our aim is to help our clients achieve the most out of every day - **we play, we care, we laugh, we enjoy** and we are sure the students of Brighton Secondary School will also enjoy the 'bling bling' room and their fabulous school formal this Friday.
