

scosa

we need you....

Would you like to volunteer some time to assist in fun and rewarding activities to support a South Australian icon?

We are looking for volunteers to help us with general fundraising activities which include sausage sizzles on weekends, general pickups during the week and events.

These activities go a long way in helping us raise funds to support people with disabilities in South Australia.

Contact us today if you wish to join our happy team of volunteers! Call Elyse Baiton at **scosa** on (08) 8347 2664.
